Except as provided herein, all terms and conditions of the above referenced solicitation document remains unchanged and in full force and effect. The subject solicitation is changed as follows:

I.) The Part I - Section B, Supplies or Services and Prices/Costs, B.2.1. Consideration and Payment is deleted and replaced with the following :

B.2.1. Consideration and Payment

Total Price

Performance under this contract shall be on a cost reimbursement basis with a fixed unit price for AED Training Classes. The Contractor shall provide a fixed unit price per training class and estimated direct labor hour costs. (Refer to Section J, Attachment A, entitled, Training and Data Management for Automatic External Defibrillator(AED) Program. Services shall be provided when and as required by the Government.

II.) The following is added to the end of Part IV, Section J, Attachment A, Statement of Work, SPECIAL PROVISIONS, NUMBER 3:

Local Travel: As described in SPECIAL PROVISIONS #3 of the Statement of Work of this RFP, costs incurred by a contractor in performance of this contract who travel within a sixty(60) mile radius of a potential training site(see Attachment D) will not be paid as a direct cost by the DFOH. Offerors may wish to include any expected/estimated travel expenses as indirect costs or as a part of the fixed unit price per AED training class. For the purposes of this procurement, HRSA anticipates that ninety percent(90%), or thirty-two(32) of thirty-five(35) AED training classes, will have "local travel" as defined by this RFP, and therefore, the DFOH will not reimburse travel directly for these classes.

Non-Local Travel: It is estimated that approximately ten percent(10%), or 3 of the thirty-five(35) AED training classes, may incur non-local travel costs. Non-local travel is travel incurred by a contractor traveling to and from an Attachment D site from outside of the sixty(60) mile radius to provide an AED training class.

Reimbursement for non-local travel will be approved on a case-by-case basis and in accordance with FOH and federal government travel policy. The non-local travel will be pre-approved by the Project Officer. Approved travel will be reimbursed by FOH, but by a mechanism other than the subject contract.
